## Reflection from our Outgoing President—Annette Matthews: *A Privilege and an Honor*

Dear Sister Daughters,

The cliché is definitely not a cliché. It HAS been a privilege and an honor to serve you these past 3 years. There are so many people to thank for making these years fruitful from individuals to chapters, to diocesan, province and national officers as well as churches... and even IT techs who helped me produce the first two virtual assemblies the diocese has ever held as a result of the COVID pandemic. (Challenge certainly defines the last year and a half.) In addition to our beloved Bishop Jeff Fisher, of course, and his zoom-wiz secretary Kathy Dunn I especially want to thank Priscilla Chapter, Trinity, The Woodlands, Cecilia Chapter, St. Peter, Brenham, Ruth Chapter, St. Cuthbert, Houston, and St. Margaret of Scotland Chapter, St. Dunstan, Houston for hosting the 3 assemblies that were held in person, Renate Walker my advisor, and The Reverend Dorothy Gremillion, our diocesan chaplain, who was my spiritual rock throughout.

Good things have taken place. The website is looking pretty spiffy with a face lift, a proper language update, a Spanish addition, and a resources overhaul. If you haven't noticed before, notice now that all assemblies and JDOK retreats are publicized in advance on the home page with registration information and links to registration when available. Resources now include our bylaws, grant information, dues information, and so much more. Links to Province and National are there as are links to the brand-new **Spanish Chapter Manual!** If you want to see Bishop Fisher's homilies, the links are there. If you want to see the meat of our superlative keynote addresses of the past 3 years, the links are there. If you need ideas for spiritual enrichment activities for your meetings, they are there. Simply go to [www.dokdot.org](http://www.dokdot.org).

3 chapters were instituted during my term and another is about to be instituted. I expect there will be a mini-wave of new Daughters and chapters once the pandemic is under control. The entire diocese has been more than generous in its giving to the national funds and to many projects in the diocese.

National picked up the pandemic challenge to be more available to individual Daughters and produced many Conversations with Daughters which are available for viewing online at your leisure even if you did not tune in live. National made the database available to officers... yaay! Our diocese and our province will both host assemblies in September, so look for information about each. Again... [www.dokdot.org](http://www.dokdot.org).

Many of us have learned how to communicate via facetime and zoom as well as other media to keep our chapters vital and connected. Who would have known this would happen 2 years ago? Continue to be creative in keeping your spiritual community alive and well. It's a God-given gift. Finally, the province officers will be rotating this September just as you will be welcoming your newly elected diocesan officers. The national officers will not change until after Triennial in June 2022 in Baltimore. Pray for all of them. You know not the effort and time they make and take on your behalf. The remainder of this *Angelus* will be devoted to your new or returning officers making themselves known to you in ways not communicated in their official biographies. Welcome them! They are worthy.

It has been my joy that the Christ in you has blessed the Christ in me and the Christ in me, in return, has blessed the Christ in you when we have together been still and known God as the awesome Creator, the aware Redeemer, and the available Sustainer. For His Sake, Amen.

### Vision from our Incoming President – Tory Arnold

Dear Ones

I greet you with joy in the name of Jesus! I seek to bring you the great news that Jesus wants you to have JOY, "ye rejoice with joy unspeakable and full of glory"(1Peter 8 KJV). You may already have read my bio so you know some of my story; I am sharing more with you that we may get better acquainted.

I have been a nurse for 43 years, serving in many different departments and truly loving my patients. I sustained a fall, striking my head in 2017 and the resulting Traumatic Brain Injury has ended my career. It was wonderful while it lasted. I spend most of my time now caring for my three-year-old grandson Owen (I have lots of pictures...). My daughter Jessi is an NP and her schedule is my schedule. My son Griffin lives 5 minutes from her and he is in IT. He has my eight-year-old grandson Keith Michael whom I adore (more pictures...). My husband Mike retired from construction and stays busy around our house and out at "the ranch."

God has kept me busy; I make rosaries, jewelry, and crosses. I like to sew; Jessi and I made hundreds of masks and then made head coverings. I am now making tote bags. I knit blessing blankets, sending them out across the world where needed. I have a prayer ministry, sending out daily prayers by email and text. Our church has started a food ministry and I am involved in that as a cook and a delivery person when Owen and I are available for that

I love thrift stores and garage sales; going out of my way to find them. I look for treasure and enjoy sorting through bins and boxes. I rarely ever buy anything new, preferring to discover old and wonderful things.

I look at life differently these days. I was diagnosed with a rare autoimmune disorder last year. We were hoping that it would be in remission by now, but my body just doesn't want to let go of it!

All in all, I choose JOY! I will continue to choose joy and pray that each of you find joy  
God's peace and JOY!! Tory

## Revelations from our Incoming Diocesan Chaplain – Reverend Lacy Largent

I am delighted to begin my term at the upcoming assembly as your chaplain! I have attended many assemblies in my 31 years of ordained ministry, and have spoken at a significant number of chapter meetings. I am hoping most of you already know me by our paths crossing in some way over these years!

You've probably heard of Bi-Vocational Ministry, but I see myself as a Tri-Locational priest! I serve two churches (St. Francis, College Station and Redeemer, Houston), as well as serving as the Spiritual Director of Camp Allen. But not to worry, they all add up to one full-time ministry with space to get to enjoy and be with you all!

I love to drive, which is a very good thing in my tri-locational positions. I enjoy reading, primarily in book form, though I have recently discovered Audible. I spent about 20 years loving to crochet, needlepoint, and cross-stitch, but then I got a cat—enough said! I like to walk, swim, and before my knees rebelled at 25-35 flights of stairs a day while I was visiting ships for almost 16 years, I was an avid racquetball player. My doctor says I can still play, but only by myself—and what fun is it to compete against myself?!

Spiritually, I am most connected with God in silent meditation, walking prayer, and using various forms of prayer while walking a labyrinth.

Looking forward to getting to know you as well!

Lacy+

## Thoughts from our Vice-President – Karen Courville

A few things that bring me joy: Creating colorful art in pouring paint on canvas, coasters, trivets, and jewelry while listening to healing music gives me joy and peace. This I will do more of when I retire in a few months. Shelton and I enjoy our two kitties Mango (orange and white) and Delila (white with black) with her beautiful blue eyes and the sweetest meow. Mango is our hunter who loves to bring us gifts daily. Then there is dream study which has brought healing in many ways. I do believe God reveals what we need for guidance and healing in our dreams. It is helpful to my ministry in spiritual direction. Sweet dreams!

## Observations from our Incoming Membership Secretary – Nancy Polmanter

I am a lifelong Episcopalian and a member at Christ Church, Temple, Tx. I serve as a Lay Eucharist Minister, Lector, Usher and Acolyte as needed. I attend a Women's Bible Study and am a Daughter of the King where I served as chapter president for 4 years, I serve as the DOK Convocation Representative for the Southeast Convocation. I also served as an interim Vice-President for the diocesan DOK for 1 year in 2018 and will be the Membership Chair for the current DOK board.

I am married to my husband Gary and we have 4 children, 6 grandchildren and 2 great grandchildren. My family moved to Texas from California in 1975 as my husband accepted a position at Fort Hood. We moved to our present home in Pleasant Grove, a community outside Rosebud in Falls County in 1990. We raised livestock but have given it up as it was getting harder for us to

manage. We have two Shih Tzu puppies who have become like children and follow us around and sit in our laps at every opportunity.

I have a BS in Computer Science. I have worked with city and county governments and in banking. I retired as a Program Development Manager for Bell County where we provided computer services for all the county offices.

My husband and I live a very quiet life on our farm. I love to bake, especially making bread, gardening and reading. I spent a large part of our isolation year watching operas that The Metropolitan Opera streamed daily while they were closed to the public. I also love to watch Masterpiece Theater on PBS.

### **Ponderings from our Incoming Recording Secretary – Teresa Antley**

I am Teresa Antley. I have lived in Dickinson, TX most of my life. God literally called me to the Episcopal church and to Holy Trinity in Dickinson, TX in 1978. I was baptized in April and married my high school sweetheart Keith at Holy Trinity in July, 1978 and have been a member there ever since. God blessed us with 3 wonderful children Donald and Daniel (who are twins) and our beautiful daughter Dianna. God blessed us with 2 extended children who married out of high school - Matt and Krystal. All of them live close to us and we are so blessed to spend time with all 4 of their families including our 16 beautiful grandchildren - 12 girls and 4 boys - the oldest being Cole who is in the Navy who will be 21 this November and the youngest, Harper, who just turned 3 in July. I went back to school and received my Associates degree in 2002.

Keith and I just sold our home this last year and built a new home (this has not been a picnic - but God's timing is always perfect) next to his parents to be able to help them and take care of them and my Mom when we are needed. God, my family, extended family, church family and my DOK sisters mean everything to me and I am humbled and honored to be there with them in the good, bad, sad and hard times, always praying they see a glimpse of Jesus through me. My dear DOK sisters in my own chapter and through the larger sisterhood have helped me to be who, I believe, God wants me to be today. As a sinner in need of God's own redeeming and grace, I strive to serve God everywhere He places me to share His love, acceptance and redeeming grace. Currently, I am a LEM, Lay pastoral Minister, in Discipleship (Stewardship) Ministry and very grateful member of our DOK chapter. I have served the DOK on a Diocesan level helping where I could with Facebook posts and the webpage and in my chapter as President, VP, secretary, and prayer coordinator. I have owned my own daycare, worked many years in the medical field and social services and am now working in the Oil and Gas - Seismic and Fabrication Industry. It is with great JOY and gratitude I serve as your recording secretary.

Love and blessings, Teresa

### **Contemplations from our Daughter-At-Large Chair and Prayer Chair – Patsy Organ**

My name is Patsy Organ and I have been a Daughter for many years. I am a retired insurance agent of 30 years. My husband, Robert L. Organ, "Bob" and I have been married for 57 years. And our silver poodle "Auggie" rules our household. But, the true joy of my life is my son, Robert L. Organ, II, "Robby" and his wife, Keesha Smith Organ. They have blessed us with two precious grandsons, Robert L. Organ, III, "Tres", who is a Senior at Episcopal High School and Tate Martin Organ who is a Freshman at Episcopal High School. Both my Grandbabies are extremely good students.

I have been the Prayer Chair for the DOK, Diocese of Texas, for many years and this ministry has given me immense joy and pleasure as well as a tremendous sense of accomplishment in helping others in any small way that I can. Every Daughter in the Diocese is eligible to receive these prayer

requests and to request prayers to be added to my list. All you have to do is sign up with me – Patsy Organ - at [rorgan@aol.com](mailto:rorgan@aol.com) and I will add you to my Prayer List. So, sign up today and let's get praying.

In addition, this year I have taken on the job of Daughters at Large Chair and working with these Sisters who do not have a Chapter to call home. I have been trying to make them feel a part of our order and to participate in Assemblies and other activities of our order. I am here to serve you Daughters at Large.

### **Musings from our Service Chair – Lisa Bortner**

Hello everyone! I am a member of the St. Theresa's Chapter of the DOK at St. Mark's Episcopal Church in Austin. I have served as President of the chapter twice and have attended numerous DOK Assemblies in the past. I am honored to be joining the Diocesan DOK Board as the Service Chair.

Here's a bit about me. I am happy to say that I'm about to celebrate my third wedding anniversary in October. My husband, Tobin, is an artist best known for his musician portraits. We married after dating for eleven years! I am retired from the state where I served as a middle manager for an agency that determined Social Security disability benefits. Between the two of us, Tobin and I have six children, seven grandchildren, and two new grandsons on the way. I have always been drawn to women's ministry and have served as the Diocesan Episcopal Church Women (ECW) President and am currently the Province VII Representative to the National ECW Board. I am also a graduate of Education for Ministry. One of my most memorable trips was visiting Israel and walking in the footsteps of Jesus in March 2017.

God has graced me with strong organizational skills and a passion for service. I believe it is by engrossing ourselves in the church community through our various ministries that we find our true fulfillment in Christ. Through DOK it is my hope that the people we touch will be touched by God and that they, in turn, may touch others in the spirit of God. We bind ourselves together as a church so that we may strengthen our belief in God - Father, Son and Holy Ghost - and through His Spirit lift up our brothers and sisters during times of joy and times of darkness. It is with these thoughts and convictions that I offer my services to the Diocesan DOK.

### **Considerations from our Communication-Website Chair – Linda Blumberg**

My name is Linda Blumberg and I have been a DOK member for 20 years. My mother is also a DOK member for over 45 years. I am a lifelong Episcopalian and attend Holy Comforter Episcopal in Spring. I have a BA in Computer Science and a MS in Business. I early-retired a few years ago after 30+ years at Continental Airlines/United Airlines having worked in Operations, Technology, and Finance. I'm a techy by nature – computers and spreadsheets make me happy. In retirement, my husband and I have been travelling (before COVID) and working with seniors: a weekly morning prayer service at a local Assisted Living facility and playing music/singalongs with various senior facilities. We play music with several groups (he plays hammer dulcimer and I play mountain dulcimer, guitar, ukulele, and am attempting to learn the violin/fiddle) at various events – this weekend we're playing at Jesse Jones Park and Nature Center near the Houston IAH airport.

I originally created and maintained the Diocesan DOK website (<https://dokdot.org/>) when Brenda Amos was the Diocesan President. I took a break when I was having some medical issues and Teresa Antley generously took over including a move to a new host provider. I started back again maintaining the website a few years ago. I'm also a member of the Glory Bound Singers for 13 years.

## DOK – Triennial – Baltimore, MD – June 22 – 26, 2022

The table is ready and there is a place set just for you. Daughters will come from all directions to take their place at the table. Come and join us as we discover the pleasures that are found in the presence of God that not only leaves us satisfied but also changed, renewed and refreshed. Come to Baltimore, Maryland on June 22nd - 26th, 2022 at the Hyatt Regency Baltimore Hotel for a celebration at God's table.

Did you know the first National Convention of The Order was held in Baltimore, Maryland, in 1893? The Order returned to Baltimore for the next National Convention in 1894. Now, 129 years later, we are to meet once again in Baltimore. Let us all "Come to the Table" to experience a wonderful time of fellowship with each other, rejoicing in the Lord as Daughters.

Triennial Prayer: Almighty God, we praise You and glorify Your name. Pour out Your Holy Spirit on Triennial 2022 in Baltimore. We pray that Your will be done throughout this event. Let us keep Your love at the forefront of our minds. May it be the guiding light for all we set out to accomplish and celebrate. We ask that You draw us close to You as we come to the table from the east and west, north and south, from all corners of the world. Speak Your words of wisdom into our lives and give Your blessing as we plan and prepare for our worship, music, speakers, workshops, and exhibitors. Strengthen us, restore and inspire us with Your love. Help us to embrace our similarities and differences, and our concerns and joys. We long for Your touch on our lives as Daughters. Inspire our hearts, heal our wounds, bring us Your joy and peace. Come Lord! Weave Your love into our fellowship that we may overflow with grace and truth. May all Daughters be filled with your Holy Spirit as we meet at your table as sisters in Christ. Let us then go forth into the world sharing Your love with others. We ask it all For His Sake, our King and Savior, Jesus Christ. Amen

## NEWS from Around the Diocese:

### St Alban's Episcopal Church – Austin:

Like many churches during the pandemic, our parish has met virtually since mid-March and the sanctuary is closed. To maintain our sense of prayerful community, the DOK Chapter at St. Alban's Episcopal Church in Austin, Texas, created a Prayer Wall on the fence around the children's playground. There is a banner giving directions and anyone can come to the Prayer Wall at any time, offer a prayer, and tie a vibrant ribbon on the fence. The ribbons are kept in a colorful mailbox at the

edge of the playground (along with hand sanitizer). If you are in Austin, come tie one on!

**Have you ever wanted to sing along with the Glory Bound Singers?**

Here's your chance! Come to our Fall rehearsal on September 4th and then rehearse with us just before the Fall Assembly. We would love to have more Daughters join us this Fall! ## ASSEMBLY SPEAKERS

### **Sister Erika Callison:**

I have been a Daughter of the King for 27 years, and it was through this commitment I have served my King as JDOK Directress, JDOK Diocese of Texas Directress, Province 7 JDOK Directress, and now as an Order of Saint Benedict sister.

I have two adult daughters, five grandchildren, two cats and two dogs. I enjoy listening to late night radio, Astros games on the radio, and chilling out with the grandchildren and reading.

### **The Rev. Lacy Largent**

The Rev. Lacy Largent is an Episcopal priest and a clinical social worker. She is currently the three-quarter-time Priest-in-Charge at St. Francis Episcopal Church in College Station, the Spiritual Director of Camp Allen since 2000, and the long-term Supply Priest at the Church of the Redeemer in Houston since 2015 which meets late on Sunday afternoons.

Previously, Lacy was a Port Chaplain at the Seafarers' Ministry at the Port of Houston for almost 16 years. She left this ministry to serve as the Spiritual Care Team Coordinator for the Episcopal Diocese of Texas in the wake of the Hurricane Harvey disaster. Since her ordination in 1990, Lacy has also served as a Staff Chaplain at St. Luke's Episcopal Hospital, Assistant Rector at Good Shepherd in Kingwood, and Rector of St. Paul's in Navasota. ## ASSEMBLY WORKSHOP SPEAKERS

### **Workshop #1 – Betty Reid:**

Born in Trinidad & Tobago, I was baptized in the Anglican church as an infant. Migrated to Texas in 1968 with my first child. I lived in Texas City where I gave birth to two more children. From those three sons God has blessed me with nine grandchildren. While living in Texas City I attended St. Michael Episcopal Church. I received my undergraduate degree at the University of Houston at Clear Lake City. Moved to Houston in 1979 where I worked for a major oil company for 29 years and became a member of St. Cuthbert Episcopal Church in 1980. I

have served in various capacities: as Christian Education teacher for all ages, head of the Hospitality ministry, Senior Warden, head of the Lord of the Streets ministry. I participated in the Happening movement for several years. In 1998, I headed a team of Happeners who took the retreat to Trinidad and Tobago. The Trinidadians have since introduced the Happening movement to other West Indian Islands. I have led a women's Bible Study for 15 years and hosted and led several Women's retreats at Camp Allen for the women of my church and their friends.

I was installed as a Daughter of the King in 2002 and became a Junior Directress in 2014. In 2018 I became the Junior Directress Co-Chair for Province VII and in 2019 I became the JDOK Chair. I continue to serve as the Junior Directress of the Janet Chapter at St. Cuthbert Church.

I love to cook and bake, cross stitch, and knit, and with God's help I will pass some of those skills to the girls under my care.

I enjoy my time with the Junior Daughters and continue to prepare the girls and encourage them to participate in the Triennials. In 2015 I took three Junior Daughters to Triennial and ten in 2018. I am hoping to take all my girls to the next Triennial in June of 2022.

### **Workshop #2 – Holy Comforter Episcopal Church, Angleton – Junior Daughters of the King**

JDOK from Holy Comforter Angleton will present the last workshop of the day. They will be teaching us how to pray the Lord's prayer in American Sign Language.
