

LIFT WOMEN'S LIVES WITH SEWING MACHINES
Women's Empowerment Project | Anglican Diocese of Kondoa

May 13, 2025: I just received these pictures from Rev. Lilian Gaula of our sisters in Tanzania in their sewing classroom with the new machines that were purchased with the money we sent them at Christmas. They are so grateful! But more machines are needed.

Each machine costs approximately \$150.

It's not too late to be part of this project. Check out the pictures and the attached flier to see how you can donate to empower the women of the Diocese of Kondoa.
