

Letter to chapters, Fall 2026

Dear Sisters,

I am writing today to encourage you to attend the Fall Assembly at Camp Allen September 18-20. You may choose to stay Friday night, Saturday only, Saturday night only or Friday and Saturday nights. The costs are as low as we can make them and still afford to provide Speakers and the facility. If you would like to attend and feel that you need financial assistance, please fill out an application for scholarship located on the dokdot.org website under Grants and Applications, this will automatically forward to me and to Kathy Akin. Once this step is completed, I will notify Camp Allen and you may register.

Secondly, I know that you are aware that your annual dues are to be paid this month; we also have grants for dues payment if your chapter, church, priest are unable to assist in making this payment. Once again, the form is found under grants and applications. Please consider helping a Sister make her dues payments.

I hope to see you soon! Tory Arnold
